

2010-2011 Financial Aid Application

Eastside FC provides a limited number of need-based scholarships based on total household income, using the same income guidelines as the National School Lunch Program. EFC scholarships are available to help defray the club registration fees. In the event that there are funds available after distribution of registration scholarships, additional funds may be awarded to help families with uniform, team and/or travel expenses. However, there is no guarantee that these funds will be available every year, and if they are awarded the amount may vary from year to year.

Uniform Only Scholarships

Eastside FC is an adidas premier club. One benefit of this partnership is that adidas provides our organization with a number of uniform kits. These kits are intended for the families with the greatest financial need. However, it is possible to apply for a Uniform Only Scholarship.

This is an opportunity available to all members within the Club. All applications will be reviewed and those who demonstrate the greatest financial need will be granted a uniform kit. The 2010-11 adidas kit is valued at \$245-\$260. However, uniform scholarship recipients will be responsible for the customization costs of the uniform kit. Customization involves adding Eastside FC and Club Sponsor's logos to several pieces in the uniform kit. Customization costs for 2010-11 are estimated at \$65.

Instructions

Please use the Income Eligibility Chart on the next page as a guideline to determine whether you may be eligible for an EFC scholarship. We understand that families may currently be experiencing some unique circumstances that should be considered in addition to the household income. If your household income exceeds the salary levels on the Income Eligibility Chart, please attach an additional page explaining your unique situation.
