#### **Most Memorable Soccer Highlight:**

Three great memories come to mind:

Playing for the U.S. National Team

Being drafted in the 1<sup>st</sup> round, out of Sammamish High School, by the Seattle Sounders.

Scoring my first 3 goals as a professional. “In my rookie season we were playing the New York Cosmos at Giants Stadium and we were down 3-1. My coaches, Laurie Calloway and Bobbie Howe, decided to put me in with 7 minutes remaining to give me some experience. First, I stole a back pass and scored. I scored again on a cross to tie the game. Two days later we were in Toronto and they had enough confidence to start me. I scored a goal that Bobby Howe described in the paper as, “...a great goal. Pele’ would have been proud of it”. I will never forget that.”

**Personal/Other:**
