Take-Home Checklist

Complete these tasks by 10/1 to keep your recruiting on track.

- ☐ **Get logged into SportsRecruits** to establish your online presence. Players (not parents) should have received an email invite a few weeks ago. Check your spam folder. If you get stuck, email help@SporsRecruits.com.
- ☐ Once in, you can optionally **give your parent(s) access**.
- ☐ **Verify your profile**—get a blue checkmark—by uploading a photo, adding your grad year and adding your position.
- ☐ **Gather 20 clips** (6-10 seconds each) of your highlights from the last 6-12 months (e.g. Trace, Hudl, Veo). Upload them to your profile.
- ☐ Use the "Schools" tab to **find and "Favorite" 30 colleges and universities**
- ☐ **Set reminders in your family calendar** to email coaches 2 weeks before the next ECNL or ECNL RL showcase.
- ☐ **Install the SportsRecruits Pro app** which will allow you to email coaches and upload videos on the go.
- ☐ **Mark your calendar for two future workshops:** Creating Highlight Videos (10/5) and Emailing Coaches (11/2). TeamSnap invites will also be sent out a few weeks prior.
