Travel

Travel expenses are not included in the club membership fee. They vary from team to team and include both team and personal expenses. Team travel costs include the coach's travel expenses, team social functions, and tournament entry costs. They are managed directly by the team, paid to the team treasurer and are driven by the number of tournaments a team enters. Typically, a team might enter 3-4 events per year, some of which may be out of town. Personal travel expenses associated with overnight travel to regional or national destinations should be expected and vary based on location and transportation.

Uniforms

All EFC players are required to purchase Adidas uniform kits which consist of home and away game kits including jerseys, shorts and socks; an EFC warm up jacket and pants; and practice uniforms. Uniforms are purchased every two years through our uniform fulfillment vendor Soccer.com. The current cost is approximately \$400. 2026 will be a uniform purchase year for the entire club. **2027 is a uniform gap year and is only mandatory for new players to the club to purchase the entire required game and training kit.** There are also optional items to purchase if you wish.

Sibling Rebate

The club offers a \$400 per sibling rebate for each additional child beyond the first two from a family registered in the club. If you qualify and want the rebate, have any questions, or wish to donate your rebate to the scholarship program, please contact our bookkeeper at belinda.billington@eastsidefc.org to have your balance adjusted.
