### **Travel**

Travel expenses are not included in the club membership fee. They vary from team to team and include both team and personal expenses. Team travel costs include the coach's travel expenses, team social functions, and tournament entry costs. They are managed directly by the team, paid to the team treasurer and are driven by the number of tournaments a team enters. Typically, a team might enter 3-4 tournaments per year, some of which may be out of town. Personal travel expenses associated with overnight travel to regional or national destinations should be expected and vary based on location and transportation.

### **Uniforms**

All EFC players are required to purchase Adidas uniform kits which consist of home and away game kits including jerseys, shorts and socks; an EFC warm up jacket and pants; and practice uniforms. Uniforms are purchased every two years through our uniform fulfillment vendor Soccer.com. The current cost is approximately \$350.

### **Sibling Rebate**

The club offers a \$300 per sibling rebate for each additional child beyond the first two from a family registered in the club. Team Snap automatically calculates the rebate and deducts it from the registration fee during registration of the third child (and every child thereafter).
